THE PEOPLE'S STORES.....

CHRISTMAS IS COMING

By leaps and bounds. The "Store" is far advanced in elaborate preparations for a royal welcome of Santa Claus on the occasion of his next annual visit. The spacious, illuminated basement will be his headquarters for this season, as usual, and at the present moment there are hosts of desirable articles gathered there, very suitable for boys and girls, such as

Dolls, Games, Blocks, Horses,
Carriages, Automobiles, Go-Carts,
Drums, Guns, Dishes, Mechanical Toys,

Stoves, Stables, Desks, Tables,
Bureaus, Dressers, Express Wagons, Sleighs,
Chiffoniers, Building Blocks, Tops, Balls, Etc.

This Store has proved its advantages as a shipping place for holiday gifts. Be careful that you do not chance to buy an article elsewhere and pay more for it. Twenty cents, fifty cents and one dollar savings are worth looking after—whether the list is a long or a short one. Any article now selected can be reserved for the holidays Come and feast your eyes on them.

Mrs. C. B. Richardson, who has been traveling for the St. Paul Society of Decorative Art, will resume her duties in the Art Department of Benner & Begg's, Dec. 8, with a new line of holiday art goods.

A Regular Holocaust—In the list of prices we make this week. This trade incident is an unusual happening, and is a rare opportunity to get groceries far below the regular prices. Lean pockets become resourceful under the magic of our radical price cutting knife, and the trading dollar has its purchasing value increased a quarter to a half.
